

torts cases and materials pdf

Roman law contained provisions for torts in the form of delict, which later influenced the civil law jurisdictions in Continental Europe, but a distinctive body of law arose in the common law world traced to English tort law.

Tort - Wikipedia

A mass tort is a civil action involving numerous plaintiffs against one or a few defendants in state or federal court. The lawsuits arise out of the defendants causing numerous injuries through the same or similar act of harm, for example, a prescription drug, a medical device, a defective product, a train accident, a plane crash, pollution, or ...
