The study of the functional neuroanatomical bases that drive meditation's apparently salutary effects remains in its infancy, however. This is all the more true of research examining putative differences in the anatomical structure of the brains of meditation practitioners.

Is meditation associated with altered brain structure? A

June Tabor & Oysterband - Ragged Kindom (Topic) All of 21 years ago, these two headlining acts unexpectedly combined their talents on a majestic (if admittedly very slightly flawed) collaborative album Freedom And Rain, which has since become regarded as an unrepeated - and unrepeatable - benchmark.
