

understanding english language variation pdf

English is a West Germanic language that was first spoken in early medieval England and is now the third most widespread native language in the world, after Standard Chinese and Spanish, as well as the most widely spoken Germanic language.

English language - Wikipedia

Variation is a characteristic of language: there is more than one way of saying the same thing. Speakers may vary pronunciation, word choice, or morphology and syntax (sometimes called "grammar"). But while the diversity of variation is great, there seem to be boundaries on variation – speakers do not generally make drastic alterations in ...
