A vintage car is, in the most general sense, an old automobile, and in the narrower senses of car enthusiasts and collectors, it is a car from the period of 1919 to 1930. Such enthusiasts have categorization schemes for ages of cars that enforce distinctions between antique cars, vintage cars, classic cars, and so on.

fully detail it, or go to a professional detailer. But with a parts car, this is unnecessary. The only exception is with an all-original car. It needs to look original, especially when it's been stored a long time, is in exceptionally good original condition or has exceptionally low mileage. Serious collectors will often want to do any heavy cleaning themselves, but you may want to clean the ...
