The Cultural Studies Reader is the ideal introduction for students. A revised introduction explaining the history and key concerns of cultural studies brings together important articles by leading thinkers to provide an essential guide to the development, key issues and future directions of cultural studies.

The Cultural Studies Reader: Simon During: 9780415374132

Fiat money is a currency without intrinsic value that has been established as money, often by government regulation. Fiat money does not have use value, and has value only because a government maintains its value, or because parties engaging in exchange agree on its value. It was introduced as an alternative to commodity money and ...
