Pragmatic Theory of Truth by William James William James, NIH About the author.... William James (1842-1910) is perhaps the most widely known of the founders of pragmatism. Historically, his Principles of Psychology was the first unification of psychology as a philosophical science. As a teacher of philosophy, he was a colleague of both Josiah Royce and George Santayana. Once Royce was ...

0521840287 - The Philosophy of William James: An Introduction Richard M. Gale Frontmatter More information. Preface This book is a shorter and more popular version of my 1999 book, The Divided Self of William James. To achieve this I had to cut out all references to the vast secondary source literature and greatly simplify my discussion by omitting most of the technical parts of the book ...

1 James, William. The Principles of Psychology. New York: Dover Publications, 1890. p. 291 1 . doesn't posit simplicity. James thinks the self is not the base from which all else rebounds but is fragmentary. The components which make it up he calls the material self, the social self, the spiritual self, and the pure ego. The material self is not simply the body but a man's closest possessions ...
