This is a list of weapons served individually by the United States armed forces, sorted by type and current level of service. While the general understanding is that crew-served weapons require more than one person to operate them, there are important exceptions in the case of both squad automatic weapons (SAW) and sniper rifles.

The insane religious-fanatic Zionists who have been trying for years to start Armageddon have failed yet again in their latest attempt, this time in Syria. They now face serious repercussions, possibly starting with a revolution in France. Before we get into the details, letâ€™s remember what it is weâ€™re dealing with here. It is difficult [â€!]

Revolution may start in France as crazy Zionists try yet
