Women's rights around the world is an important indicator to understand global well-being. A major global women's rights treaty was ratified by the majority of the world's nations a few decades ago.

Women's Rights - Global Issues

Women's rights are the rights and entitlements claimed for women and girls worldwide, and formed the basis for the women's rights movement in the nineteenth century and feminist movement during the 20th century.

Women's rights - Wikipedia

Long-term, sustainable development will only be possible when women and men enjoy equal opportunity to rise to their potential. But today, women and girls continue to face disadvantages in every sector in which we work, while in some cases, boys are falling behind. For decades, USAID has been leading global efforts to achieve gender equality.
